## What is ArtsFest?

Since 2009 ArtsFest has been a fall tradition, a weekend long festival celebrating the arts in New Rochelle and Pelham with art exhibits, open artists' studios, live music and dance, spoken word, a classic car show and more. ArtsFest is organized every year by the New Rochelle Council on the Arts, a 501 c 3 organization founded in 1975.

## What is the New Rochelle Council on the Arts?

Throughout its history the City of New Rochelle has been home to people responsible for shaping the cultural and artistic fabric of America, and over the last four decades the New Rochelle Council on the Arts (NRCA) has supported that tradition. NRCA serves as an umbrella organization for arts organizations and artists, as well as a resource for business and educational partners. NRCA is dedicated to expanding the public's interest and participation in the arts by sponsoring a broad array of art exhibitions, theatrical productions, dance performances, film screenings, art forums, spoken word events and concerts that represent the rich diversity of our community. Ongoing programs include the Summer Sounds Concert Series at Hudson Park Band Shell, quarterly exhibits at NRCA's Rotunda Gallery at City Hall, and ArtsFest. For more information visit us on line at [www.newrochellearts.org](http://www.newrochellearts.org).

You can support the arts in your community:  
Join NRCA as a member and help us continue our mission.

This season's programs are made possible, in part, by ArtsWestchester with funds from Westchester County Government, the City of New Rochelle and the support and participation of the NRCA membership.
